

CONVENIENCE FOR AID SCHEME RECIPIENTS

The signboard depicting the government's Sumbangan Asas Rahmah (SARA) aid scheme is seen at the entrance of the E-mart Supermarket in Kota Samarahan. The retail chain is among more than 1,200 establishments nationwide that facilitate SARA recipients to purchase items using MyKad. Effective from Jan 15 this year, the monthly aid is channelled to 700,000 recipients, comprising those identified from the poor and hardcore poor groups. — Bernama photo
